WHY IS CHURCH MEMBERSHIP NECESSARY? (Part 6)

7. Church membership glorifies God.

Jesus told us in Matthew 16:18 that He is going to build His church and that the gates of Hell will not overpower it. Church membership is a tangible way of seeing Jesus' work. As we see people profess faith in Christ and commit to a local church body, the local church grows, and God is seen to be advancing in our community. People begin to say, "*God must be doing something!*" and they would be right. Christians gathered together and growing bears a greater sum witness to the work of God and, in turn, brings Him greater glory.

Conclusion

Church membership may be on the ropes at the moment, but I'm praying in faith that it will recover as the church begins to love again all the things that God loves. May you see church membership as precious and indispensable as it was intended to be!
